### CURRENT ROLE

Chantal is a consulting manager in the firm's turnaround and restructuring practice, working with team members to develop creative solutions for troubled businesses, both domestic and international.

### SERVICE AREAS

- Receivership
- Turnaround
- Insolvency consulting
- Debt restructuring
- Asset tracing

### EXPERIENCE

Chantal began her career at Rehmann in 2009 as an audit intern. She gained collections experience with an accounts payable audit company in 2010 before joining Rehmann's turnaround and restructuring practice. Chantal has significant experience managing a company's operations until sale, as well as ensuring orderly wind-down or liquidation on insolvent projects. She is also knowledgeable about and worked in both Federal & State Receiverships.

Chantal is a Certified Insolvency and Restructuring Advisor (CIRA); an industry recognition of her high degree of specialized knowledge in business bankruptcy and insolvency.
