

Todd Cowles: Born and raised in Grand Rapids, Michigan. Todd graduated from Central Michigan University, and completed his Masters of Science in Computer Information Systems from Boston University. Todd has held data and ML/AI focused roles for the last 15 years consulting to the Department of Defense, Academic Institutions, and Retailers. His current role as CoFounder at Absy is to help execute our vision of People > AI, and reframe how effective GenAI can reshape Small to Medium Businesses.

People > AI
